The College of Education and External Studies held a welcome address for the 2017/2018 first year students on 6th September 2017 at the Mwalimu Multi-Purpose Hall, Kikuyu Campus.

The College Principal Prof. Isaac Jumba led the College management and staff in welcoming the new students. The College organized this event to mainly welcome the students to Kikuyu Campus, introduce the students to faculty and staff and also inform students of services and extra-curricular activities available to students.

The University of Nairobi -in compliance with the directive issued by the Ministry of Education through the Commission of University Education- registered the September 2017 intake students using Biometric Registration technology. During registration, the University captured bio data like photos, fingerprints and national ID. The College plans to collect bio data of all students by programme and year of study to ensure they have a functioning database of all students in the institution.

The Vice Chancellor will address first year students from all 6 Colleges on 7th September 2017 at Main Campus, University of Nairobi.
