The University of Nairobi is holding the 8<sup>th</sup> Edition of the Annual Open Day from February 1-3 2018 at the Great Court grounds, Main Campus. The 3 day event is centered on the theme: "Tapping into opportunities for knowledge, skills and values."

The Vice Chancellor, Prof. Mbithi officially opened the Open Day at Taifa Hall saying that since the University introduced the annual Open Day in 2008, the University has over the years opened its doors to both internal and external stakeholders to interact with the faculty and also further interrogate our programmes. The Vice Chancellor encouraged invited guests and prospective students to visit all the stands to get a deeper understanding of the workings of the University.

"The annual open day accords the University an opportunity to showcase our programmes and products. We invite prospective students, parents and guardians to come and learn more about what we have on offer," said the Deputy Vice-Chancellor, Academic Affairs, Prof. Henry Mutoro.

The College of Education and External studies has set up an exhibition hub to showcase all the

courses offered in all Departments under the School of Education.
