It gives me great pleasure to welcome all of you to this function today. The function marks one of the activities of the Rapid Results Initiative on the Role of the University of Nairobi in the Implementation of the Constitution of Kenya, 2010.

The decision to hold this programme to sensitize staff, students, University of Nairobi Alumni, and surrounding communities at large was made by the Central Corruption Prevention Committee of the University of Nairobi at its meeting held on 12th July, 2013.

The programme is being undertaken in partnership with:

- 1. Commission for the Implementation of the Constitution (CIC)**
- 2. Ethics and Anti-Corruption Commission (EACC) and**
- 3. University of Nairobi Alumni Association (UONAA)**

The programme was officially launched in Taifa Hall where an estimated 1000 people including University Management staff, students, the alumni and other invited guests from EACC and CIC attended the function.

This was followed by mini launches in all the six colleges of the university. At CEES, the programme was colorfully launched on 20th August, 2013 here in this hall.

Today, we are delighted to have our Chief Guest, Mr. Darius Mogaka Ogutu, Senior Deputy Director of Education at the Ministry of Education, Science and Technology.

He will shortly be delivering a Public Lecture on

“Devolution: Policy implication for Education”

Please join me in welcoming Mr. Ogutu to give the lecture. Thereafter there will be an interactive question and answer session where we will share and learn from experiences at the Ministry.

WELCOME MR. OGUTU.
