

THE DEPARTMENT OF PHYSICAL EDUCATION

Annual Report 2013

The Department of Physical Education is in its sixth year of existence having already graduated three groups of Undergraduate students. In the six years of existence the Department has managed to review the Undergraduate programme curriculum that has been taught and also come up with a Master's of Physical Education program alongside initiating three more programmes in the larger area of Physical Education and Sports . These new programmes are currently going through the rigorous procedure of being approved for teaching.

Meanwhile the department has continued to grow quantitatively and qualitatively as noted by the increase of teaching staff, increase in numbers of enrolled students and the various experiential learning opportunities that the Department offers to students undertaking Physical Education and Sport.
